Good Morning, my Lord and my God! Blessed be Your Holy Name in Jesus Christ Your Son and in the Divine Spirit. Your Goodness, Oh Father, has brought me safely to the beginning of this new day. I welcome it as Your precious gift to me, the gift of a new creation, the promise of new beginnings, and a chance to finish things that I have started and to perfect who I am called to be.

I therefore come before the throne of Your grace to claim the comprehensive insurance of my life with its policy written in the Blood of Jesus Christ under Your divine protection. I claim the blessings that You have released for me—the strength of faith and commitment to Your love; peace and love in my heart; breakthroughs in my life, the ability to do good to others, to love them as You have loved me, to forgive them as You have forgiven me, to give them as You have given to me, and to bless them as You have blessed me.

Having blessed me with this day, Father, I declare, in the Name of Jesus Christ, that it is well with me; that today is a day of uncommon blessings in my life. I therefore subject my ways that You may have Your way in me; my thoughts that they may be inspired by the wisdom of Your Spirit; my heart that it may learn to feel like Yours; my senses that they may become better at perceiving the needs of humanity; my hands that You may fashion them into instruments of healing and compassion; my words that they may uplift, encourage, and comfort others.

Father, as I begin the work of this day, let Your power defend me. Let Your strength uphold me. Let Your support carry me. Let Your power protect me from all kinds of sickness and debilitating illness; from accidents and untimely death; from every principality and power of darkness; from all satanic invocations and devilish sacrifices targeted at my life and progress; from all diabolic mechanisms and acts of wickedness directed toward me, and from malicious intentions and slanderous gossips intended to hurt me or frustrate my future.
By the delivering power of God, I declare that my words and actions will bear fruit today and that my purpose in life will advance along the path of fulfillment. I believe in the Name of Jesus Christ that You, Oh Father, have released every provision and supply, uncommon wisdom and productivity, enlargement and fruitfulness into my life.

Oh you Angels of God Most High, to whom God has charged with the duty to light, guard, rule and guide me, go before me into this day and perfect all situations that pertain to my job, my business, my family, my education, and my friends, so that when the work of this day is done, my mind and heart will be at peace with my God, my neighbor, and myself. I make this prayer in the Mighty Name of Jesus, Amen. (Pray the “Our Father”)
